

WORKSHOP AGENDA

The 2010 Forest Landowner Workshop Series will focus on working forest easement options that are available today to North Carolina landowners.

The program is designed to address common questions landowners have about working forest easements in a friendly, informative format that allows input from various viewpoints. Each registered participant will receive materials that outline conservation easements.

2010 FOREST LANDOWNER WORKSHOP SERIES

In keeping with the tradition started several years ago with the first Forestry Summits established by the North Carolina Division of Forest Resources and numerous partners, the Forest Education and Conservation Foundation is sponsoring four regional workshops for forest landowners in 2010.

The workshops provide practical information about conservation easement opportunities for private forest landowners in Sanford on April 13th at the Dennis Wicker Center; in Greenville on April 15th at the City Hotel & Bistro; in Statesville on May 11th at the Statesville Civic Center and in Asheville on May 12th at the Crowne Plaza Tennis & Golf Resort.

Mark Megalos with Extension Forestry at North Carolina State University will moderate the sessions.

The workshops start at 9:00 a.m. and conclude by 3:00 p.m. Registration fees are \$15 per person or \$25 for a family. The cost for participants seeking CFE credits is \$40. The workshop has been approved for 3.5 contacts of CFE Category 1 credits. Registration fees cover refreshments, lunch and handouts.
