

THE OFFSETS WORKSHOP:

OFFSETS FOR FUTURE FOREST
STEWARDSHIP & EDUCATION
TOGETHER

[www.theoffsetworkshop.wixsite.com/
theoffsetworkshop](http://www.theoffsetworkshop.wixsite.com/theoffsetworkshop)

What

The OFFSETS workshop is a one-day event that will focus on the future of carbon offsets and markets in the Southeastern United States, with a goal of disseminating information and facilitating a discussion on the various obstacles facing carbon offset projects in the region.

When & Where

October 6th, 2017
8:30am to 4:00pm

Appalachian State University
Plemmons Student Union
263 Locust St, Boone, NC 28607

Who

Forest landowners, industry, forest professionals, carbon offset project professionals, developers, land trusts, investors, and anyone interested in learning about the role of forest carbon offset market in the United States.

How Much

Registration is free! Travel allowance provided for forest landowners from Western North Carolina (\$50). Contact Dr. Tatyana Ruseva (rusevatb@appstate.edu) with any questions.

Please, register at the workshop website by September 10th.
