

CERTIFIED BURNER TRAINING

This 3-day burn course covers information on conducting prescribed fire and is the first step in becoming a certified burner in North Carolina.

Ready to learn more about burning your woods?

Certified burn training provides classroom learning, focusing on the science of fire and an introduction to the tools and techniques for prescribed fire implementation.

Day 1 & 2 – Prescribed Burn Act	Fire Danger Rating
Weather	Managing Your Smoke
Fuels	Firing Techniques
Topography	Burn Plans

Day 3 —	Field visit to examine sites and write plans	Class review	Written test
---------	--	--------------	--------------

If your goal is to become a NC Certified Burner, this training is step one of a five-step process. Following successful completion of the course, certification also requires preparing a burn plan, obtaining burn permits/authorizations/notifications, conducting a prescribed burn with a certified burner on site, and submission of the Burner Certification Checkoff Sheet.
